I understand that, if accepted into the program, I will be required to complete all clinical laboratory compliance requirements. These requirements include, but are not limited to, a background check, online training, immunization records, a physical examination, and any additional requirements mandated by the supporting laboratory. I understand that students are responsible for all costs associated with these compliance requirements.

I understand that if my background check reveals an offense that disqualifies me from participating in clinical practicum, I will be unable to continue in the Medical Laboratory Technician program. I understand that this determination is made by the clinical affiliates. Questions regarding this requirement should be directed to the program coordinator.
