

Plumbing Technology

The following is the list of tools required for enrollment in the Plumbing Technology program. Since the objective of our program is to train students for employment as technicians, these tools will allow the student to start his/her personal tool kit, adding to it as he/she wishes. We highly recommend that quality be purchased. Many students will have some of these tools already. If so, it would not be necessary to purchase new ones.

Approximate cost for tools is \$1,725.00 for the entire program

Note: These tools can be purchased through Iowa Central Community College on the first day of classes as a tool kit or on your own.

1	Safety Glasses
1	Gloves
1	Job Site Backpack
